Explosion Proof Product Brochure

ZHEJIANG GUANGSHUN EXPLOSION-PROOF ELECTRIC CO., LTD

COMPANY PROFILE

Zhejiang Guangshun Explosion proof Electrical Co., Ltd., founded in 2011, it is located in Yanpan Industrial Zone, Yueqing City, Zhejiang Province, China.

We are a professional manufacturer engaged in the production and development of explosion-proof electrical appliances, explosion-proof lamps, instruments, pipe fittings and other explosion-proof series products. In addition, it has obtained certificates such as ISO9001 Quality Management System, ISO14001 Environmental Management System, OHSAS18001 Occupational Health and Safety Management System, as well as many invention and utility model patents in China.

It mainly undertakes the design and manufacturing of various non-standard explosion-proof control cabinets and automatic control instrument boxes.

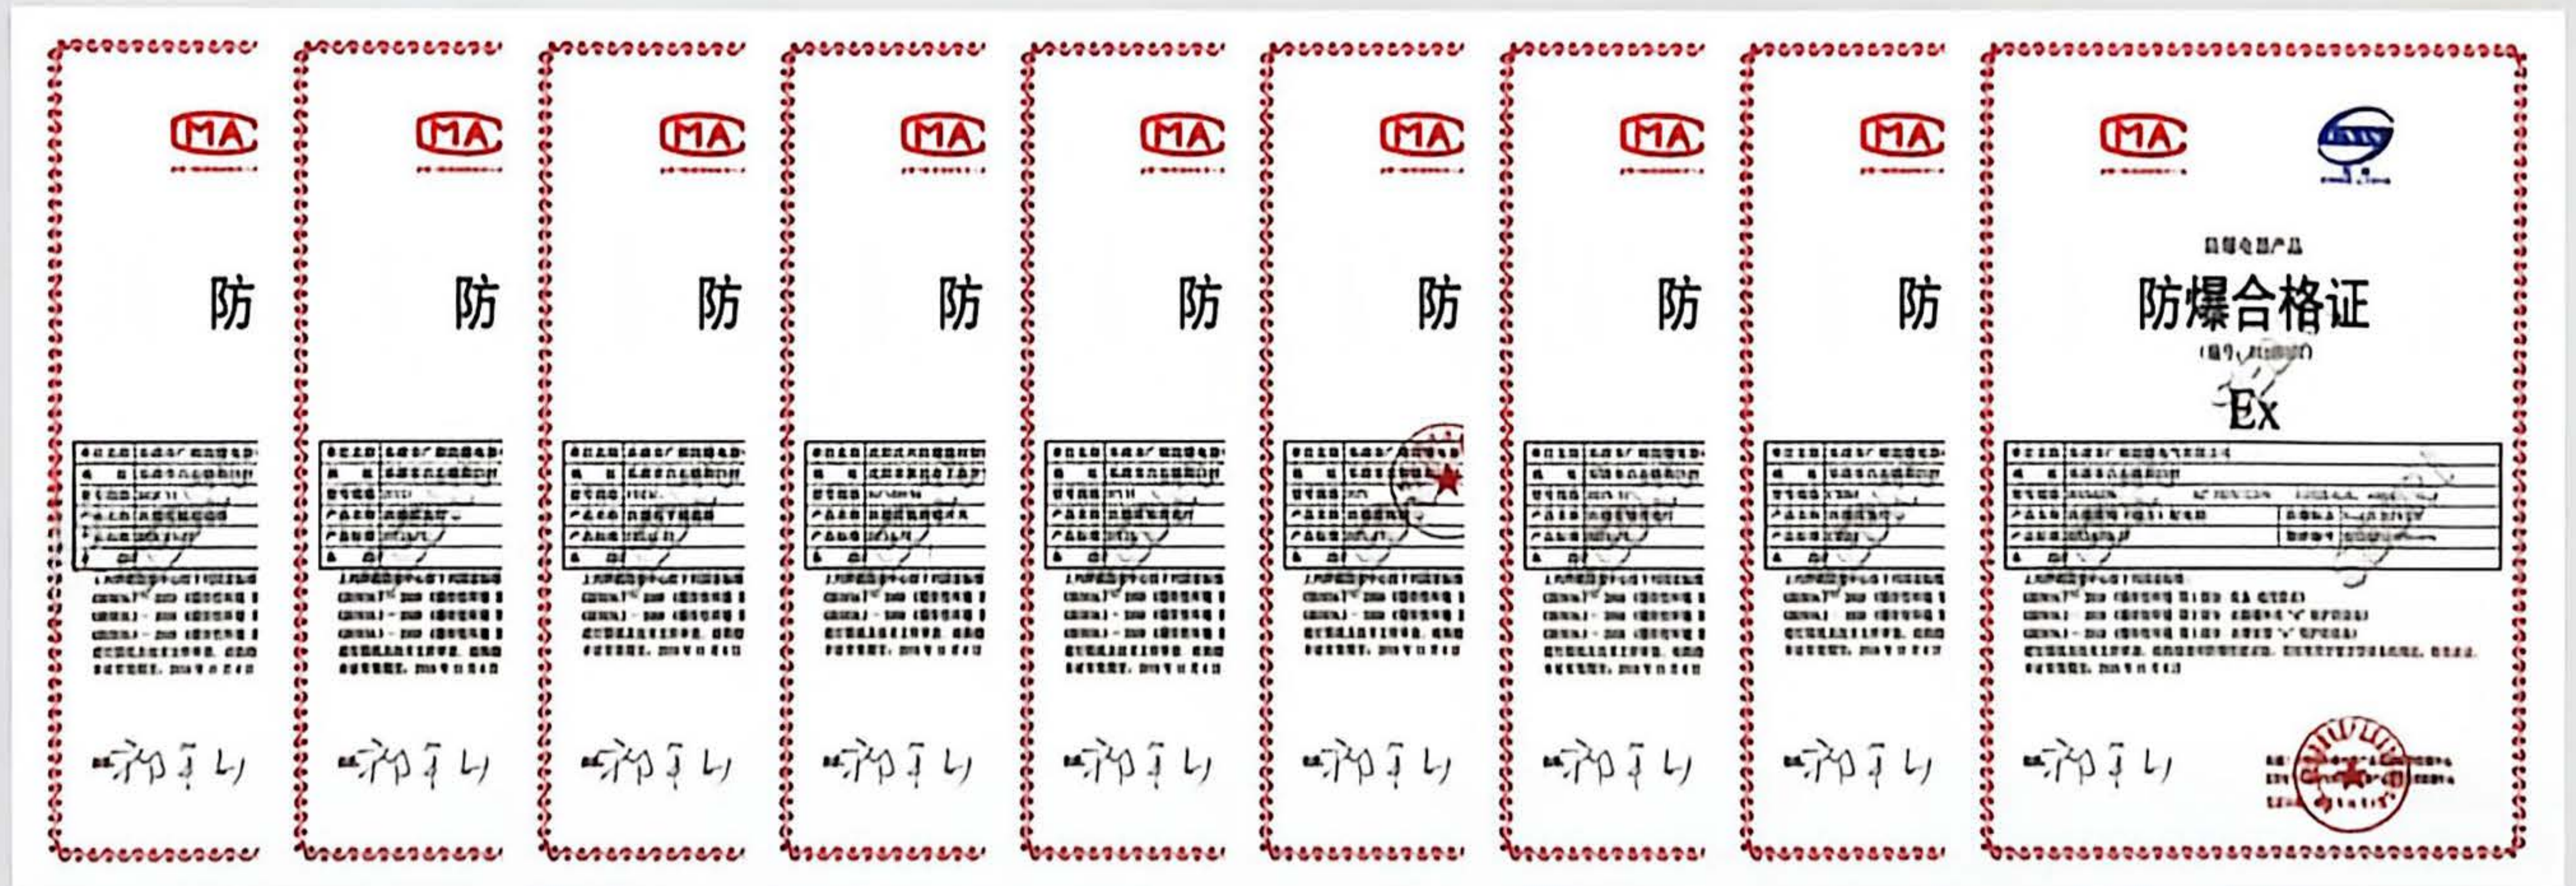

With 15 years development and research, it has a variety of explosion-proof power system products, such as:

- | | |
|--------------------------------|-------------------------------------|
| 1. Explosion proof starter box | 2. Explosion proof distribution box |
| 3. Explosion proof lamp | 4. Explosion proof fan |
| 5. Explosion proof button | 6. Operating column |
| 7. Lighting switch | 8. Indicator lights |
| 9. Master controller | 10. Other ODM products |

We focus on serving major oil fields, chemical, pharmaceutical, military, and industrial and mining enterprises. We are committed to providing a comprehensive product chain and solutions.

QUALIFICATION CERTIFICATE

We will produce high quality ultimate products that are in accordance with international standards by adopting world advanced production equipment, brand new industrial conception and powerful technical strength.

50-100W

**GSD52 Explosion-proof
Energy saving LED floodlight**

120-200W

**GSD52 Explosion-proof
Energy saving LED floodlight**

300W

**GSD52 Explosion-proof
Energy saving LED floodlight**

(30-50W)
